

Position: Vocational/Educational Specialist Supervisor
Program/Department: Transitional Living Community (TLC)
Reports to: Program Director
Work Location: East New York Brooklyn
Hours: Full Time

Position Summary:

The Vocational/Educational Specialist Supervisor oversees the day to day tasks of the Voc/Ed Department. TLC is a transitional living community for mentally challenged homeless women. Vocational Educational Specialist Supervisor works with other staff to ensure that clients are prepared for permanent housing, employment and vocational services by supervising TLC's onsite Rehabilitation Program; in addition to providing supervision to the Vocational Educational Specialist, creation and the facilitation of groups for on and off site activities. In conjunction with the Vocational Educational Specialist, the Vocational Educational Specialist Supervisor supervises the computer lab, and recruits volunteers to conduct various onsite groups and workshops. The Vocational Educational Specialist Supervisor will work in conjunction with BCS's Job Development program to streamline clients through the systems for employment.

Responsibilities:

- Oversee the Voc/Ed vocational training that focuses on the development of skills and attitudes conducive to seeking and retaining employment. This includes: guiding TLC clients to pursue intensified training in particular areas consistent with their strengths and interests while identifying and working with clients on obstacles which may affect the achievement of goals, and providing individual and group counseling and support for resume and cover letter creation, interview preparation, computer skills training, and workplace etiquette, as well as provide referrals to external training programs, internships, and employment opportunities.
- Provide supervision to the Voc/Ed Specialist to access referrals to educational services designed to help clients improve literacy and general academic skills with the goal of increasing the attainment of high school General Equivalency Diplomas (GED) and enrollment in secondary institutions. Provide individual and group counseling and support for tutoring, exam preparation, and study skill enhancement, as needed.
- Ensures the Voc/Ed departments maintains a caseload of a minimum of 10 TLC clients per month and write progress notes for all group and individual contacts for documentation in client's charts. Progress notes are to include participation, patterns of attendance, interpersonal behavior, response to modalities, and progress toward goals. Maintain Daily Activity sheets, complete quarterly Voc/Ed treatment plans; and complete monthly, quarterly, and annual Voc/Ed reports.
- Interface with Adult Rehabilitation Services Job Developers and make job opportunities available and accessible to Voc/Ed Program consumers. Work toward increasing employment outcomes for the Voc/Ed Program and all TLC clients.
- Create activities group for the purpose of rehabilitation of clients back into the community
- Recruit volunteers and service providers to conduct on site groups and workshops
- Ensure that Voc/Ed staff coordinates with TLC staff regarding the progress, case management, and treatment planning of clients participating in the Vocational/Educational Program through individual communications and weekly staff meetings.
- Participate in agency wide groups and meetings as required.
- Assist with development of funding proposals as needed.
- Perform other duties as assigned by the TLC Program Director.

Qualifications:

Qualifications Required: Minimum Bachelor degree or 5 years related field, with a minimum of one year experience with homeless and/or disabled populations. Experience with mentally disabled individuals preferable or five years' experience with homeless/severely and persistently mentally ill populations, preferably in a residential setting.
