During my time as the Executive Director of Brooklyn Community Services, I have seen firsthand the need for Social Workers and Human Services Employees in our communities. Your hard work and dedication does not go unnoticed.

One of my roles as Executive Director is to make sure we stand up for Social Workers and Human Services Employees. We work closely with our partners to lobby for increased funding for salaries, and more recognition for this field. I hope that more and more New Yorkers join us in this effort.

To all Social Workers and Human Services Employees in Brooklyn and beyond: your commitment changes lives and empowers communities. Thank you for all you do!

With Gratitude,

Janelle Farris
Executive Director & President
