

Job Description

Position: Assistant Teacher

Program/Department: Youth Stand Academy - Afterschool Education

Reports to: Site Director

Work Location: East New York Family Academy @ Maxwell Campus, 145 Pennsylvania Ave Brooklyn, NY 11207

Hours: Part-time

Position Summary:

Youth Stand Academy provides an enriching environment for middle school youth (grades 6-8) to thrive. In partnership with the New York City Department (DYCD), Youth Stand Academy promotes education and youth development, creativity and leadership skills, literacy and critical thinking, fitness and nutrition, and work readiness and community services.

For over 20 years, Brooklyn Community Services' after school programs have helped thousands of children grow academically and creatively, while providing comprehensive support for their social and emotional growth and leadership development.

Responsibilities:

- Work with the lead teacher to implement hands-on projects and activities to students which are in the context of leadership and community service.
- Working under the supervision of the lead teacher and site director, use creative/innovative teaching strategies that enhance and encourage students' reading, writing, math skills and provide homework help.
- Provide effective supervision to 20 students during classroom activities and other afterschool activities.
- Work with the lead teacher to develop and plan culminating event activities that will showcase learning and creativity.
- Monitor and authorize parental/guardian pick up of students.
- Assist the lead teacher with preparation of activities and materials for the daily schedule.
- Other responsibilities as needed

Qualifications:

- High School Diploma required. Some college education is preferred.
- Experience working with youth in afterschool program or camp setting.
- Must enjoy working with children and able to pass a background check with Department of Education.
